**Chirivel**

**€52,000**

Country house.

Traditional house where you can easily renovate to create a nice home to live in.

This property is in a lovely quaint hamlet with stunning views all around only 10 mins away from the town and all its amenities.

It comprises three double rooms downstairs and a very large room upstairs that could be divided to create bedrooms and bathrooms, many options possible

The property has land areas to the front and to the rear, ideal to create a beautiful garden to enjoy the views which are all around the area.

Good access road all the way to the property, water by a well, electricity can be connected as well as internet.

10 mins drive to the main motorway towards other Towns and Airports.
