Albanchez

€56,000

Traditional country house.

This property will need to be renovated and it is located in a nice small hamlet of a few traditional houses.

Has a total of 8 rooms on the 1st floor where it is possible to create many living areas.

The second floor has another 7 rooms, and would be ideal to create bedrooms and bathrooms.

There are outhouses of 30 m² ideal to demolish to increase the garden area which is now 30m².

It is located just outside the typical Spanish village of Albanchez, providing easy access to all amenities and a weekly street market. The villa offers excellent road access to the village and is conveniently situated near larger towns, motorways, airports, the coast, and cities.
