Lucar

€75,000

An Almeria Home.

The main attraction of Lúcar lies in its natural springs.

Town house in Lucar, with all services, partly habitable and 3 floors.

On the first floor there are 2 bedrooms and 1 garage.

On the second floor there is 1 kitchen, 1 bathroom, 1 living room, 1 dining room and 2 bedrooms.

Third floor there are 3 spacious bedrooms.

This habitable housing but needs some work needed.

Mains electricity and water are connected.

This is a typical Andalusian Village very welcoming neighbours and also with all the amenities walking distance.

A few minutes drive you will also find the Village of Cella which has a natural spring swimming pool, with bars/restaurants all around it.

You must visit this property to verify that area.
