Albox

€159,000

Traditional 5 bedroom house for sale.

Beautiful and typical two storey detached traditional house located in Albox.

On the first floor there is a fitted kitchen, a dining room, a living room with fireplace, five bedrooms, a bathroom, a separate room to renovate, two separate garages, this part of the house is habitable.

The property also has two large buildings, this is where the owners used to keep the animals they once had.

The buildings can be very useful and could be developed to have more rooms.

On the second floor; there are two large rooms where it is possible to create three bedrooms, and 2 bathrooms.

The land is in nice large terraces planted with some trees, there is also a large hill behind the house.

Mains electricity and water connected by its own well.

Beautiful and charming Andalusian farmhouse.
Good access and beautiful views all around it.
