€99,000

Traditional village house for sale in the Almeria province.

This spacious 4 bedroom house, has been renovated very well and in keeping with its traditional Andalucian character.

It is located in the charming village of El Contador, which has a few main amenities within walking distance of the property, including a weekly market.

On the ground floor, there is a spacious lounge with a fireplace, a fitted kitchen, separate dining room, a double bedroom and a family bathroom.

There is also a garage and storage room, and a patio area to the rear of the house, with plenty of parking.

On the 2nd floor; there is a sitting room with a fireplace fitted, two double bedrooms and a bathroom.

It is possible to have two further bedrooms without any extra cost involved.

There is good access to the property, with beautiful views of the Village and surrounding mountains.

Quick access to the main Motorway leading to other larger Towns, Airports, and the coast.

Mains Electricity and Water are connected, and Internet is possible.
