Property for sale in the Almeria Province.

Spacious, 4 bedroom village house, located in the charming village of Cela, in a lovely quiet and peaceful area, which has all the main amenities within walking distance.

Cela has a beautiful large natural spring water swimming pool, which maintains a constant temperature of 22-23C all year round, with many sitting areas and grassed areas, and with many cafes, bars and restaurants.

The property itself comprises of:

On the ground floor, a spacious lounge/diner, with fully fitted kitchen, a utility room, family bathroom, double bedroom and a rear patio area.

Upstairs you will find a bathroom and three double bedrooms.

The property is fitted with double glazed windows and doors, and mains electricity, water, sewage and internet are all connected.

There is plenty of parking available.

There is a good access road. The larger village of Tijola is nearby, where you will find all the amenities and the main road leading to the motorway towards the coast and Airports.
