Albox

€154,950

Excellent condition a fully renovated large country house in Albox area.

The property is located in a nice quiet and picturesque area of Albox only 10 minutes into Town where you will find all the amenities. It is also within a nice walk to a charming Village of las Pocicas where there is a few amenities.

The house comprises of;

A 468 m2 garden area walled fenced and gated very well established and fitted with a 5X3 pool, there is a driveway and carport , also a patio area which also has a BBQ area and many areas to dine and relax enjoying the views and tranquility.

From the garden patio area you will enter into a nice summer living and dining room, it is fitted with glass windows and doors inviting the outside inside.

From the front of the property you will enter into a large open plan living room with archway into a spacious dining room.

There is a double bedroom, a hall into a large newly fitted kitchen, there is a pantry area too and woodburner, arch into a hall where there is a bathroom and door out to a patio area where there is a utility area and workshop.

The 2nd floor has a single bedroom and then a large master bedroom with a large ensuite bathroom which has a bath and large shower fitted. From the master bedroom you will walk out to a spacious sun terrace facing all the mountain views.

Back to the hallway and out to a large sun terrace which is in two sections and again with beautiful views with a dining area and areas to sit and relax.

The property has a good access road, mains electricity and water connected, internet is also connected. Has oil radiator central heating fitted throughout the house.

Has as extra a water tank which can be filled, this is ideal to save water and water the garden.

Excellent condition and location this country house for sale in Albox-Almeria.
