€66,000

These are two detached country properties for sale at a short walk from the Village.

The Village of Somontin has the main amenities as well as a weekly market. It is only 10 minutes drive to the Town of Purchena and the main road towards all the Airports, other Towns and cities.

The properties have 3,382 m² of land which is flat useful and very beautiful, stunning views too.

Property one is of 60 m² all one level and will need to be renovated dividing the rooms to create the different living areas.

The other property also all one level and of 42m² it is located to the other end of the land and would make an ideal rental property for extra income.

Idyllic location tranquil and with quick access to all the amenities, views all around from the property of the beautiful mountains and Almanzora Valley.

It is near a beautiful national park where there are many walks and BBQ areas.

Excellent property with great potential to have two houses on a nice plot of land, must see. Properties for sale in Sufli-Almeria.
