## Albox

**€59,950**

Traditional 3-5 bed Town house with a garden now available in the popular Town of Albox.

It is located in a nice quiet street of the Town of Albox, which has many amenities within walking distance from the property. This is a popular Town where you can find anything you need. Beautiful Town Squares and parks nearby.

The house is a traditional property which is semi habitable therefore will need some renovation to update the property and bring it to a liveable standard.

Has many traditional features and it has lots of character, all the rooms are useful and spacious.

To the rear of the property you will also find a garden area which it is very rare to find in a Townhouse. You could create a beautiful outdoor area to enjoy as you wish.

Inside the house you will find;

On the first floor a lounge with a traditional fireplace, a separate old style kitchen, a bathroom, three bedrooms.

On the second floor there are five large rooms which could be renovated to create more bedrooms, a bathroom and maybe another sitting room.

Mains are connected, good access road, parking close to the property.

Must visit Town House for sale in Albox-Almeria.
