Tabernas

€279,950

Excellent Location! Detached country house in the heart of the Tabernas desert and with beautiful mountain views all around it and only minutes to all the amenities.
A real Gem in the heart of Andalucia.

This is a very unique detached property there is no other like it, has been built new in a traditional way with only the best quality materials, to recreate a beautiful historic house .

It is in an excellent location minutes from the traditional and typical Village of Tabernas where you will find all the amenities, as well as a weekly street market. Close to the main road towards the Airports and cities also a quick drive.

Many attractions on your doorstep with mini Hollywood.

The main house has a beautiful arch porch ideal for dining alfresco, inside there is a double door 2 meter-wide entrance into an open plan living /dining room and beautiful fitted kitchen, there are 3 double bedroom, 2.5 bathrooms (one en-suite). Front porch and back patio are both with hand-made clay tile flooring.

There is a 18mx20mx2.5m reservoir/swimming pool fed by private natural spring 6 days a month, giving you 100,000 to 200,000 litres each turn.

Newly-cleaned 100 meter well with legal paperwork and rights to up to 7,000,000 litres per year.

On the land there are 500 olive trees from 15-year-olds to centenary, with irrigation system in place on each and approximately maximum yield 1,000-1,500 litres of cold-pressed extra virgin oil.

On this property you will also find stables, paddock enclosures for smaller animals, and 3 outbuildings for storage.

The property is also sold with a 118m2 historic ruin with private chapel which can be renovated to create an independent accommodation.

There is also a 20,000 litre subterranean water reservoir.

The land of 20,000m2 is all fenced, own driveway into the property.

Excellent condition as new must see detached traditional country house in Tabernas for sale.
