REF: ESP 3684

Purchena

€210,000

Detached 2-3 bedroom country house with 12,000m2 of land now available.

The property is totally private no close neighbours and with many beautiful country views and mountain views all around it. It is located a short distance to the typical Village of Purchena where you will find all the amenities.

The land is mainly flat and useful land fenced and gated, planted with many trees, there is a private pool area, the pool of 9X3. Also three garages ideal to create further accommodation if you wish to.

The house has a large roofed porch an ideal outdoor dining area, inside the house you will find a large open plan living room with a traditional fireplace fitted to one end a fitted kitchen diner, there is a family bathroom and two double bedrooms. One of the bedrooms is very large therefore you could divide it to create another bedroom.

Mains are connected, internet can be connected, good access road.
Ideal property for horses or other animals too.

Private ready to move into country house for sale in Purchena-Almeria.
