Urracal

€28,500

4 bed habitable Village house now available.

The property is located in a beautiful and typical Spanish Village, you will find all the amenities walking distance.

This Village house has 4 bedrooms and it is habitable, therefore you can move into while you update and renovate the property.

On the first floor there are 4 rooms needing renovation to create living areas, they were once used to keep animals. There is a bathroom and a patio to the rear.

On the second floor you will find a lounge, dining room, typical kitchen, two bedrooms and a bathroom.

On the 3rd floor there are two bedrooms.

The property can be re connected to all the mains and internet.

Great traditional house full of character in a nice quiet location of the Village.

Opportunity to obtain this Village house for sale in Urracal at a great price.
