Very Unique and stylish detached Village house with a possible 4-5 bedrooms and separate apartment.

The property is located very well, just a few steps away from all the amenities you will find in this typical Spanish Village of Albanchez.

The house has great access road to the house and parking outside the house for several cars and also has own large garage to park your car.

The house is on three levels and comprises of:

On the ground level you will find a large garage, and a bathroom, if you wanted to create an annex this would be the ideal place as you already have a bathroom in place.

On the first floor you will find a spacious lounge with a fireplace fitted and dining area, there is a separate fitted kitchen, a family bathroom and two spacious bedrooms.

On the second floor there is a very large room, ideal to create any rooms you require or have as an independent apartment, would be ideal to rent for holidays or long term. Has a separate access this would be great when renting.

The property comes with a large garden all urban land of 150m², has plenty of room to add a swimming pool if you wish to have one, and has beautiful views of the stunning area .

Good access road, mains are connected, internet can be re connected.

Great large re sale Village house with a large garden now available in Albanchez-Almeria. Rental potential.
